**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to respectfully ask that you do not undermine local competitive carriers. My family and work have used Verizon, AT&T, and others in the past and received terrible service, poor support, and high prices. We switched to a local provider and have been very happy with the service, support and prices. There clearly needs to be more competition in this space not less, so please do not undermine competition.

Thank you for your consideration.
